17.00 h					

*The course "Business Valuation", (Wallmeier 4.5 ECTS) will not take place due to Prof. Wallmeier's research semester. It will be held again in the spring semester 2028. Interested students should consider applying for Prof. Valta's Advanced Valuation course (every autumn semester) at the University of Bern (as part of the Benefri framework). Please also note that the CFA Research Challenge, which also deals with firm valuation, is offered by Prof. Wallmeier in the autumn semester 2025.

Courses in **bold** letters are core courses. At least 2 core courses have to be accomplished for each **selected** module.
