

DCM Media Lab & TV-Studio

The DCM (Department of Communication and Media Research) makes its TV studio and Media Lab available to individuals, internal, and external entities for a fee. Please understand that the support and maintenance of the DCM Media and Research Lab are basically available for research and teaching at the DCM and are also budgeted as such—without a buffer. We, therefore, must charge a contribution towards costs for projects outside the DCM.

	TV-Studio / Media Lab		Technical Support	
	<i>1st day</i>	<i>Following days</i>	<i>1st day</i>	<i>Following days</i>
External commercial	700	400	600	500
External noncommercial	200	100	400	300
