

VOLUNTEERING PROPOSITIONS

ENVIRONMENTAL SCIENCES & HUMANITIES

WHAT IS GLOBAL VOLUNTEER ?

Global volunteer is a cross-cultural volunteering experience for **young people** who seek to develop themselves and contribute to the world. Each project works around one of the **17 Sustainable Development Goals** set by the **United Nations**.

These goals address issues like poverty, inequality, climate change, environmental degradation, peace, and justice. The SDGs target a more **sustainable and equitable world** by 2030, emphasizing international cooperation and collective efforts across governments, organizations, and individuals.

THE GLOBAL GOALS

CROSS CULTURAL EXPERIENCE

Experience a new culture, meet likeminded people and expand your network across the world while volunteering.

DEVELOP YOURSELF

Step out of your confort zone and live in a challenging environment which will develop your leadership competences, personal skills and improve your language capabilities.

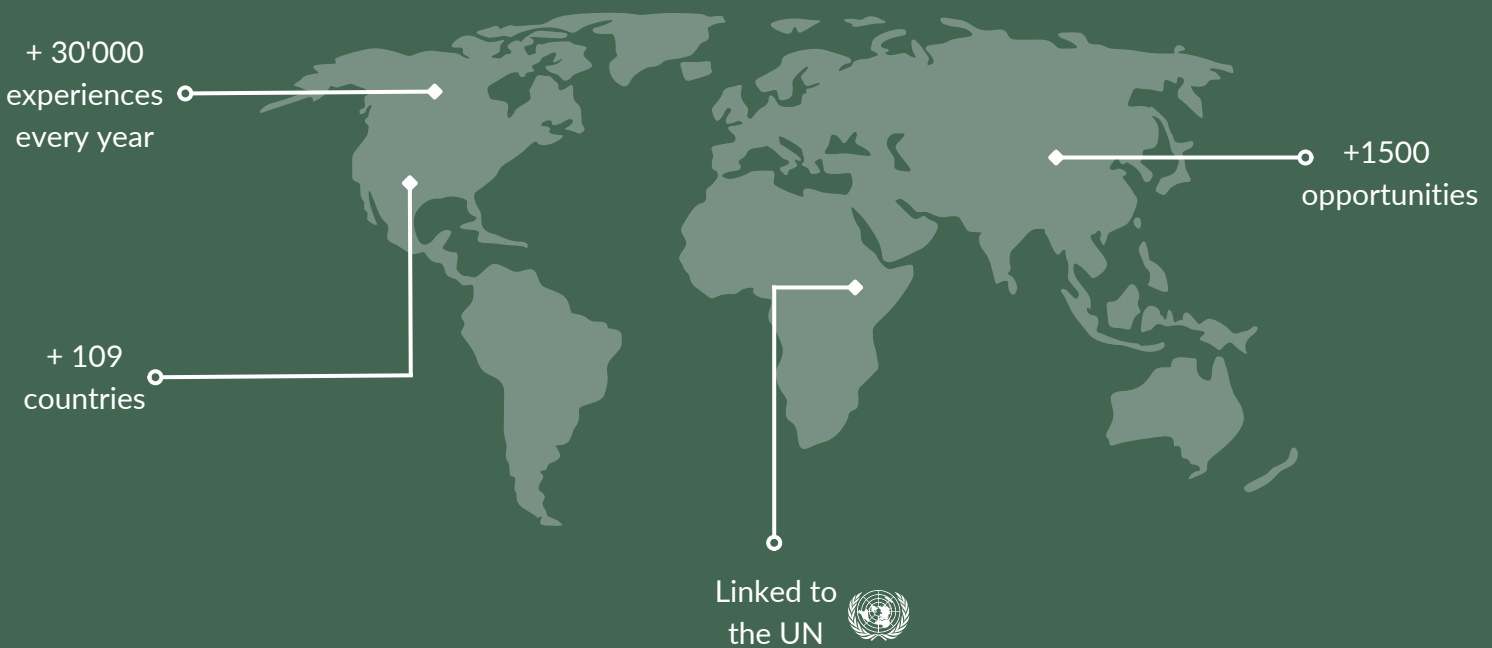

CONTRIBUTE TO THE SDG'S

Find a project around the world that contributes to a cause you care about. All Global Volunteer projects are designed to contribute to one of the Sustainable Development Goals.
