

Institut für Föderalismus
Institut du Fédéralisme
Institute of Federalism

The Institute of Federalism is a nationally and internationally recognised centre of excellence for federalism, state organisation, democracy, the rule of law and human rights. Its International Centre is active in research, further education and consultancy and cooperates with state authorities, universities and organisations at home and abroad. Its activities contribute to the peaceful coexistence of people in multicultural societies, to development and to good governance.

For the **International Research and Counselling Centre (IRCC)** we are looking for a

Intern/ Stagiaire (100%) for 6 months

Requirements

- Master's degree, in a field of social sciences, law or a similar discipline
- Willingness to work on various projects in an international environment
- Experience in researching new topics, academic writing and communicating with various audiences
- Excellent IT skills
- Fluent English, as well as very good German and/or French skills

Tasks

- Support in the development and implementation of an online course
- Collaboration on projects of the IRCC
- Collaboration on research proposals to national and international funders
- Participation in the consultancy activities of the IRCC
- Support various IRCC research projects, including power-sharing in different settings.

We offer

- An exciting job in an international environment at a leading Swiss research institute
- The opportunity for personal development and continuing education
- The opportunity to gain initial work experience in an international interdisciplinary team
- A salary according to the current university salary level
