Start of PhD project	
University	
Institute/Department	
First director of PhD thesis	
Second director (if applicable)	
Type of dissertation (article thesis, monograph)	
Is the dissertation part of a broader research project?	

Please fill in this application form and send it to the above-mentioned address, joined by a PhD project outline (see information on the next page), your curriculum vitae including a publication list (where applicable) and a copy of your Master's certificate.

PhD project outline

Please write a PhD project outline of approximately 6000-8000 characters (3-5 pages) without references. We strongly recommend the write the outline in English, to facilitate collaboration and feedback. The outline can be structured along the following contents according to the progress of the project. It should at least cover the bold printed items.

- 1. Preliminary title**
- 2. Research question**
- 3. Links to the thematic focus of PROWEL**
4. Research goals/Abstract
5. State of relevant research/research gap/originality
- 6. Theoretical frame**
- 7. Methodological approach (method, sample)**
8. First results
9. Time schedule
10. Comments/other information/collaboration
11. Relevant references
