

Course Registration

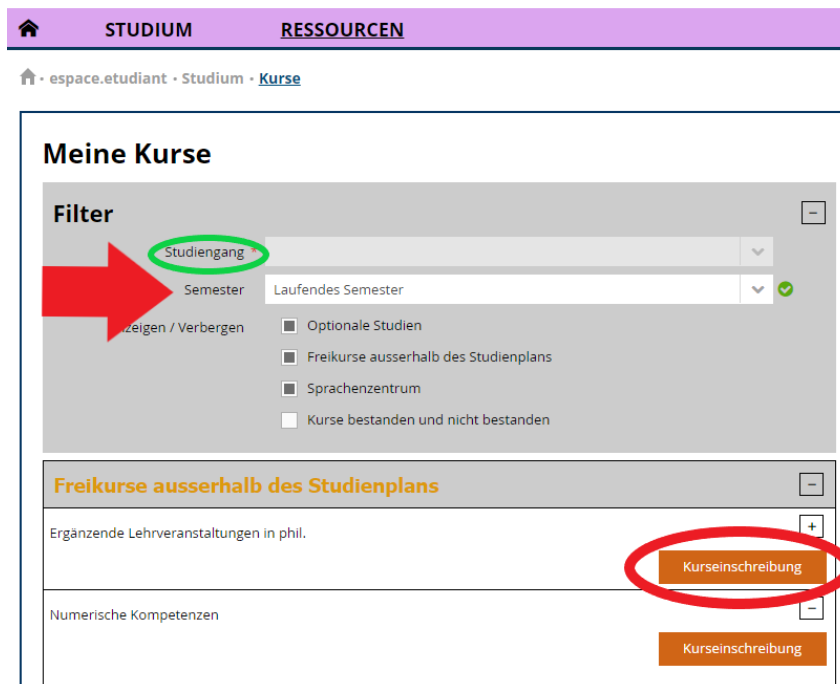

For each course you want to take, you must register via your online portal **MyUnifr** (Headings: *Etudes* or *Studium*).

When you register for a course, be aware that this registration does not count as a registration for the examination. You will have to register in due time for the exams you wish to take. Check the dates for course and examination dates on the Faculties websites.

Please proceed as follows:

1. Find the course

Check that the correct course of study (voie d'études / Studiengang) is displayed, select *Enseignement complémentaire en Lettres/Droit/Théologie/SES/ Sciences / Ergänzende Lehrveranstaltungen in Phil/Recht/Theologie/SES/Naturwissenschaften** and click on **“S’inscrire au cours” / Kurseinschreibung**.

* Faculties: **Humanities** (*Lettres/Philosophische*); **Law** (*Droit/Recht*); **Theology** (*Théologie/Theologie*); **Management, Economics & Social Sciences** (SES); **Science & Medicine** (*Sciences/Naturwissenschaften*)

Note: For the exchange students the course of study remains blank.

2. Choose your course

Check that under *semestre / Semester* the **SP 2025** (spring semester) is written. Under *type de cours / Kurs Typ*, select **Cours / Vorlesung**

For exchange students, when choosing Master semester courses, once you have clicked on *S'inscrire / Anmelden* a window will open, asking you for a comment. As the comment just indicate: *Swiss European Mobility Programme*.

3. Validate your registration

To finalise your registrations, click on *Valider les inscriptions / Einschreibungen bestätigen*.

The screenshot displays the 'In Kurse einschreiben' (Enroll in courses) interface for the 'Frühlingssemester 2025' (Spring semester 2025). On the left, a 'Filter' section allows users to refine their search by 'Studienplan' (Study plan), 'Semester', 'Studienbereich' (Study area), 'Kurstyp' (Course type), 'Sprache' (Language), 'Studienstruktur' (Study structure), 'Evaluationstyp' (Evaluation type), 'Titel' (Title), 'Code', and 'Dozent-in' (Lecturer). Below the filters, a list of courses is shown, including 'BA Thesis English Linguistics', 'Proseminar: Introduction to English Phonetics and Phonology (intro)', and 'Proseminar: Politeness in English'. Each course entry includes its ID, ECTS value, title, and a 'Validation erforderlich' (Validation required) status. On the right, the 'Einschreibungen sind im Gange' (Enrollments in progress) section shows a total of 18 ECTS points and a list of 'Ergänzende Lehrveranstaltungen in phil.' (Additional teaching events in philology), such as 'L06.01515 Lecture: American Self-Deception and Self-Renewal (SP-2025)'. At the bottom of the right panel, a green button labeled 'Einschreibungen bestätigen' (Confirm enrollments) is highlighted with a red circle and a red arrow pointing to it.

Following the validation, you will receive an e-mail confirming your course registration. This will be sent to your @unifr.ch e-mail address.

Please note: By validating your registration for the courses, **you are not automatically registered for the exams**. You will have to register for the exam during the registration period. Check the dates of the examination registration on the [Faculties websites](#).
